SECTION 1: ABOUT EDU AI

Edu AI is a forward-thinking technology company specialising in Generative AI and Agentic Services. We design, build, and deploy intelligent AI-powered solutions that transform how organisations learn, operate, and grow. Our teams work at the frontier of large language models (LLMs), autonomous agents, retrieval-augmented generation (RAG), and AI product engineering.

Our Mission

To democratise access to cutting-edge AI capabilities by building scalable, ethical, and impactful generative AI products and services.

Core Practice Areas

- Generative AI Consulting & Strategy
- Agentic Workflow Design & Deployment
- Custom LLM Fine-tuning & Prompt Engineering
- AI Product Engineering & SaaS Development
- AI Integration & API Services
- Data Pipeline & MLOps Infrastructure

SECTION 2: NOTICE PERIOD POLICY

Edu AI's notice period policy ensures a smooth transition of responsibilities, protects company interests, and supports both the departing employee and the organisation during any change in employment status.

Notice Period by Employment Grade

Employment Level	Minimum Notice (Employee)	Minimum Notice (Company)	Probation Period
Intern / Trainee	1 Week	1 Week	1 Month
Junior (L1–L2)	2 Weeks	2 Weeks	3 Months
Mid-Level (L3–L4)	4 Weeks	4 Weeks	3 Months
Senior (L5–L6)	8 Weeks	8 Weeks	6 Months
Manager / Lead	8 Weeks	8 Weeks	6 Months
Director / Head	12 Weeks	12 Weeks	6 Months
VP / C-Suite	3 Months	3 Months	N/A

Notice Period Terms & Conditions

1. Notice must be submitted in writing to the direct line manager and People Operations team.
2. Garden leave may be applied at the company's discretion during the notice period.
3. The company reserves the right to make a payment in lieu of notice (PILON).
4. Outstanding annual leave may be taken during the notice period with prior approval.
5. All company property, devices, credentials, and IP must be returned on or before the last working day.
6. Breach of notice period obligations may result in financial recovery actions.
7. Employees serving notice are expected to maintain full professional conduct and output standards.

SECTION 3: CODE OF CONDUCT

All Edu AI employees are expected to uphold the highest standards of professional and ethical behaviour. This Code of Conduct applies to all interactions — in the workplace, with clients, at events, and in digital/online environments.

3.1 Professional Integrity

- Act honestly and transparently in all internal and external communications.
- Never misrepresent your qualifications, role, or the capabilities of our AI products.
- Disclose conflicts of interest promptly to your manager or People Operations.
- Maintain confidentiality of client data, proprietary models, and business strategies.

3.2 Responsible AI Development

- Build and deploy AI systems with fairness, safety, and accountability as core principles.
- Avoid generating, training on, or distributing harmful, biased, or misleading AI outputs.
- Follow the Edu AI AI Ethics Framework on all client-facing and internal AI projects.
- Report observed AI misuse or safety concerns through the designated reporting channels.

3.3 Respect & Inclusion

- Treat every colleague, client, and partner with dignity and respect.
- Zero tolerance for harassment, discrimination, or bullying of any kind.
- Foster a psychologically safe environment where diverse perspectives are welcomed.
- Use inclusive language in all communications, presentations, and documentation.

3.4 Data & Information Security

- Never share client or company data outside of approved platforms or systems.
- Use strong authentication methods and follow Edu AI's cybersecurity protocols.
- Do not use personal devices for processing sensitive client or model data without approval.
- Report data breaches or security incidents immediately to the IT Security team.

3.5 Consequences of Violations

Violations of this Code of Conduct may result in disciplinary action ranging from a formal warning to immediate termination of employment, depending on the severity and nature of the breach. Criminal conduct will be reported to the appropriate authorities.

SECTION 4: PERFORMANCE APPRAISAL

4.1 Employee Information

Full Name:	
Department:	
Role / Title:	
Review Period:	
Date of Joining:	
Manager Name:	

4.2 Performance Rating Scale

Score	Rating	Description
5	Exceptional	Consistently exceeds all expectations; sets a benchmark for the team.
4	Exceeds Expectations	Frequently goes beyond role requirements; strong contributor.
3	Meets Expectations	Fulfils all core responsibilities effectively and reliably.
2	Needs Improvement	Partially meets expectations; requires development support.
1	Unsatisfactory	Does not meet minimum requirements; immediate improvement plan required.

SECTION 5: KEY RESULTS (KRs) & OKR PERFORMANCE

Key Results are specific, measurable outcomes that define success for each Objective. Each KR is weighted and scored on a 0–1.0 scale where 1.0 = fully achieved target.

5.1 OKR — Product & Engineering

Key Result (KR)	Weight	Target	Actual	Score
Deploy 2 new agentic workflows to production	25%	2 workflows	___ / 2	___
Reduce AI model inference latency by 20%	20%	20% reduction	___%	___
Achieve 95%+ uptime on AI API services	20%	95%	___%	___
Complete internal LLM fine-tuning project	15%	Live model	Status: ___	___
Document all agentic pipelines in Confluence	10%	100%	___%	___
Zero critical security incidents on AI systems	10%	0 incidents	___ incidents	___

5.2 OKR — Client Delivery & Satisfaction

Key Result (KR)	Weight	Target	Actual	Score
Achieve NPS score ≥ 70 from AI clients	30%	NPS ≥ 70	NPS: ___	___
Deliver all client projects on schedule	25%	100% on time	___%	___
Upsell AI services to 2+ existing clients	25%	2 clients	___ clients	___
Respond to client AI queries within 4 hrs	20%	4 hrs SLA	Avg: ___ hrs	___

5.3 OKR — Learning & AI Innovation

Key Result (KR)	Weight	Target	Actual	Score
Complete 2 AI/ML certifications	30%	2 certs	___ certs	___
Contribute to 1 internal AI research paper/post	25%	1 published	Status: ___	___
Present 1 internal tech talk on GenAI/Agents	25%	1 talk	___ done	___
Experiment with 1 new AI framework per quarter	20%	4 per year	___ done	___

OVERALL KR SCORE (weighted average)

/ 5.0

SECTION 6: CORE COMPETENCY ASSESSMENT

Rate each competency on a scale of 1 (Unsatisfactory) to 5 (Exceptional). Circle or mark the applicable score.

Competency	Rating (1–5)	Manager Score
AI/ML Technical Proficiency	1 2 [3] 4 5	
GenAI & Prompt Engineering Skills	1 2 [3] 4 5	
Agentic System Design & Deployment	1 2 [3] 4 5	
Problem Solving & Critical Thinking	1 2 [3] 4 5	
Code Quality & Engineering Standards	1 2 [3] 4 5	
Client Communication & Stakeholder Mgmt	1 2 [3] 4 5	
Collaboration & Teamwork	1 2 [3] 4 5	
Innovation & Continuous Learning	1 2 [3] 4 5	
Adaptability & Handling Ambiguity	1 2 [3] 4 5	
Leadership & Mentoring	1 2 [3] 4 5	

SECTION 7: QUALITATIVE FEEDBACK

7.1 Key Achievements This Period

(List 3–5 key achievements, with impact on the company or client)

7.2 Areas for Improvement

(Provide constructive feedback on 2–3 areas that need development)

7.3 Employee Self-Assessment

(Employee comments on their own performance, challenges, and aspirations)

7.4 Manager's Overall Comments

(Summary of overall performance, key themes, and forward-looking notes)

SECTION 8: DEVELOPMENT & GROWTH PLAN

This section outlines agreed development goals for the next review period. Both employee and manager co-create this plan.

Development Goal	Action Steps	Timeline	Support / Resources

8.1 Recommended Training & Certifications

- DeepLearning.AI — GenAI / LLM Specialisation
- AWS Certified Machine Learning Specialty
- Microsoft Azure AI Engineer Associate
- Internal Edu AI Agentic Architecture Bootcamp
- Leadership & Management Essentials (for Senior roles)

SECTION 9: OVERALL RATING & APPRAISAL OUTCOME

OKR / KR Score (weighted):	/ 5.0
Competency Score (average):	/ 5.0
Overall Appraisal Score:	/ 5.0

Appraisal Outcome

Tick	Outcome	Criteria
☐	Outstanding	Score 4.5–5.0 — Eligible for accelerated promotion & top bonus
☐	High Performer	Score 3.5–4.4 — Eligible for merit increment & bonus
☐	Meets Expectations	Score 2.5–3.4 — Standard increment; continue current role
☐	Needs Improvement	Score 1.5–2.4 — Performance Improvement Plan (PIP) required
☐	Unsatisfactory	Score < 1.5 — Formal review with HR; risk of role reassignment
